

STUDENT PROGRAM

Ultimate Guide to Starting and Running Your Chapter

PART 1

About the Cardz For Kidz Student Program

CARDZ FOR KIDZ IS A CHICAGO-BASED NONPROFIT ORGANIZATION THAT HAND-DELIVERS HOPE TO HOSPITALIZED CHILDREN, SENIORS, VETERANS, AND TRAUMATIZED PATIENTS ACROSS THE WORLD THROUGH HANDMADE CARDS.

WE LAUNCHED THE STUDENT PROGRAM IN 2021 TO CULTIVATE A NATIONWIDE NETWORK OF STUDENT VOLUNTEERS IN HIGH SCHOOLS AND COLLEGES.

A Few Words About the Program

Ike (Founder & President)

David (Development Director)

1. Why did Cardz For Kidz decide to launch the Student Program?

“We launched the Student Program because of the increased number of cards and inquiries about further involvement from students of all ages. The Student Program also connects students with a wide variety of people our organization reaches, from children to veterans and seniors.”

2. Why is Cardz For Kidz optimistic about the program?

“Many members of our leadership team began volunteering in grade school, so we are excited to see how the next generation will positively impact the world. Our student volunteers have **produced quality cards and utilize their resources**, such as their teachers, family members, and friends, to help them spread the mission of Cardz For Kidz.”

3. What is something unique students can offer to Cardz For Kidz?

“Finding **emerging leaders** to make a difference is paramount, so having this age group volunteer with us is priceless. Students help guide our marketing efforts to **reach and relate effectively to every group we serve**. They also provide access to various classes, clubs, and languages, enabling us to **reach more people across the globe**.”

4. Why should I start a chapter at my school?

“You are **contributing to our overall mission of uplifting people of all ages** through inspirational handmade cards and electronics (a newer initiative of ours). Founding a chapter is a **simple and fun volunteering activity that looks great on a college or internship application** and allows you to display your leadership skills while making a difference.”
