Please don't forget we need cards in languages such as Spanish, French, Arabic, and Somali too!

Please make sure to
proudly sign your card!

The cards mean A LOT more to kids
when you sign your name!

From,
Your Buddy,
 in Boston

Okay simply the first name and city will do, but please sign your card proudly 😊

The whole point of the cards is to make the kids forget they're sick for a moment. Cards cannot be delivered if they refer to the children's current health status.
